## St.Sin

|   |
|---|
| St.SIN No 1 beer-coaster with candy (Flowpack) 15x  |
| Product-Number: BN-STSin1DE   |
| St.SIN No 1 beer-coaster with candy (in flowpack) 15 x single The St.Sin N&deg 1 candy on a beer - coaster ( with german text on coaster ). St. Sin N&deg 1 is the first food product that completely neutralizes alcohol breath with a lasting effect &ndash in just 30 seconds! St. Sin N&deg 1 targets the cause without masking scents. Alcohol breath is gone &ndash as long as no further alcohol is consumed. Incidentally, St. Sin N&deg 1 is a dextrose candy with an &quotenergy drink&quot flavor that tastes great. The secret behind St. Sin N&deg 1 lies in the way free alcohol groups chemically bond into odorless compounds. The dextrose dissolves in the mouth and effectively coats the mucous membranes. After consuming alcohol, chew the product and use your tongue to spread it around your mouth. The product dissolves within 30 seconds and neutralizes the odor of alcohol on your breath. Ingredients: Dextrose (78%), maltodextrin, vegetable oils, saccharose, modified starch, green tea extract, partially hydrogenated vegetable oil, aroma, magnesium stearate (separating agent). |
| The following price includes 7% German MwSt.(VAT)   |
| 15.95 €(EUR)  |
